

these are the weft yarns!

these are your warp yarns

<--- insert wefts this way

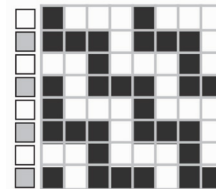

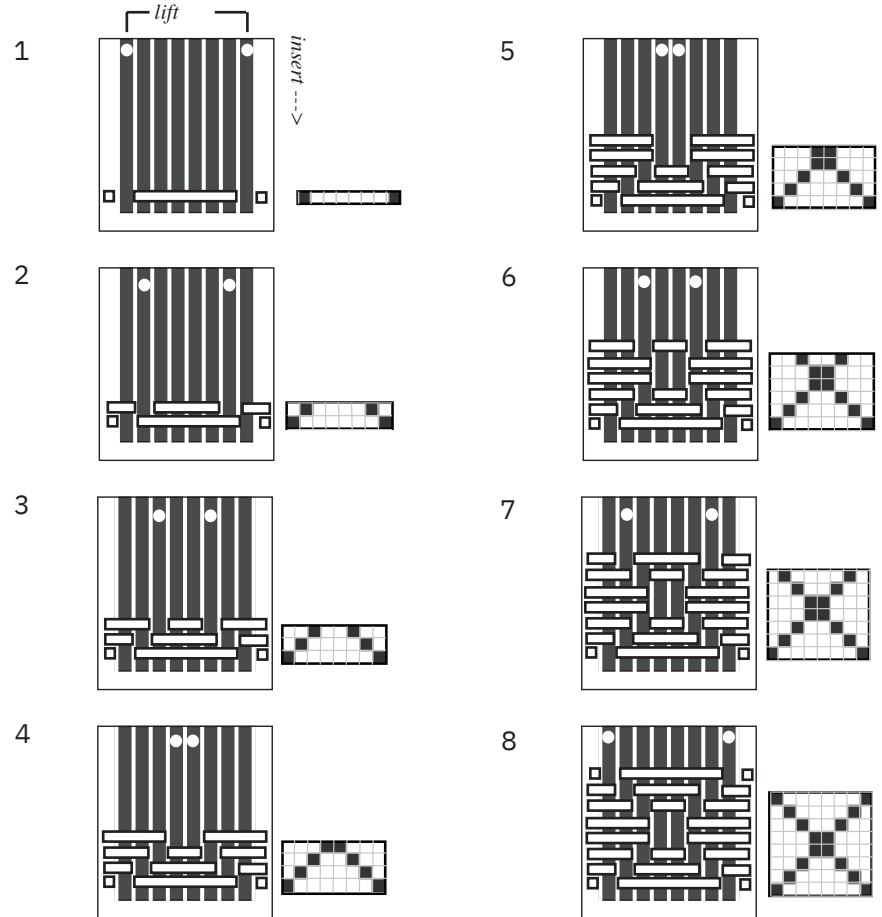

this is your "loom"

cut it out along the dotted lines

TRY THIS.

Cut out the paper loom on the left and we'll weave a draft together. Lift the black warps and insert the wefts as indicated below

TRY THIS NEXT

Weave this draft to make two layers at once. Using alternating colors in the weft can help you understand how it works!
